

Spirit Award Scorecard

The Spirit Award will be presented to the team demonstrating the best sportsmanship and team spirit at the state championship meet. The recipient is determined by a 5-person committee comprised of a representative from each of five teams drawn at random at the beginning of the meet. Each member of the committee should have a total of 3 scorecards with one for each day of the meet. When scoring team spirit, it is very important to remember that you are a neutral member of the spirit committee.

Keep a running tally of what you observe for each category in the columns below. At the end of each session give the team a score ranging from 0 to 5 with 0 being no spirit at all and 5 being the greatest amount of spirit. Turn in your sheet at the end of the session to the meet director.
