

This is a two step process, the first being for the delegate to vote for or against a prelim/final state meet format. After that vote is cast, we would then ask each delegate to choose the prelim/final format that they favor, even if they don't support the over all concept of a prelim/final meet. This allows everyone to have input for a preferred format in the event the body chooses to proceed with a prelim/final meet. The required policy amendments for the purpose of implementing a prelim/final meet as well as necessary changes to policies relating to the B Championship are also outlined after the choice of format and will be necessary to adopt in order to maintain consistency throughout our policies and procedures.

The ballot will then list:

- proposed format "A"
- proposed format "B"
- policy and procedure amendments to specific sections as follows:

9.9 MEET FORMAT:

Currently states:

(1) Short Course championship meets- All events will be timed finals

Should be Amended to:

(1) Short Course championship meets-Will be conducted as a combination of timed finals and finals as outlined in the adopted meet format.

(The adopted meet format will be outlined within the policy and procedure attachment section, designated as "SD S/C Championship Order of Events-Prelim/Final Format)

10.6 Order of Events (B Championship Meet)

Currently states:

The order of events will mirror the order used at the state meet.

Should be amended to:

The order of events will include each individual event conducted at the state meet.

10.10 Time standards. (This is to correct a typo in current p&p)

Currently states:

Attached as exhibit 9 (#9 actually refers to warmup procedures)

Should be amended to:

Attached as exhibit 10 (#10 actually is the time standard document)

In the event that proposed format B is adopted, Exhibit 10 outlining the time standards will be amended to provide that the national age group girls BB standard applies for the 8-U 200 free, the 9-10 500 free, and the 11-12 400 IM.
