

**Admin Vice Chair Report**  
LSC House of Delegates Meeting  
05/03/2020

**USA Swimming Zone Workshop**

I had planned to attend the USA Swimming Zone Workshop along with Laura Kuecker in Chicago on May 1 - 3, 2020. However, this was rescheduled for April 30 - May 2, 2021.

**Policies and Procedures**

Minimum Officials Policy - We had a great turnout of officials at both the State B meet in Mitchell and the State A meet in Watertown. Thank you to all officials who are stepping up to help out. Jamie and I have discussed the need to develop a template so Admin Officials know what report to provide to the Head Stroke & Turn Official so they can track officials from each club. This will need to be tracked for each session of the meet and then reported back to the Officials Chair. We will continue to work on this.
