

# **16TH ANNUAL DAKOTA SWIM COACHES CLINIC**

## **MAY 2&3, 2025**

Sponsored by North Dakota and South Dakota Local Swim Committee  
Holiday Inn Convention Center - 3803 13th Ave So. Fargo

The Dakota Swim Coaches Clinic will be held on May 2&3. Please join us to participate in this 16th annual clinic. The goal is to raise the level of coaching and swimming through education. This clinic has had a lot of great speakers, and this upcoming year we have three great speakers for you. The fee for attending the clinic is \$100.00. We just need you to sign up to attend and hopefully bring another coach with you. Please share this information with all your coaching friends.

We are so fortunate to be hosting three great coaches with different backgrounds for this event. We have Ray Looze, Head Coach of the University of Indiana Head Men's & Women's Swimming and Diving teams. Brendan Hansen is also joining us. He is a former world record holder in 100 and 200 breaststroke, former head coach of the Austin Swim Club, and currently the National Junior Team Director of USA Swimming. In addition, Gordy Westerberg is joining us; he is a high school and club coach from Tyler, TX. The coaches will be leading a water session with local swimmers where they'll discuss skills and drills.

The major changes for this year's clinic include location and where the clinic hotel is located. The convention center and hotel for the clinic will be the Holiday Inn Convention Center, located at 3803 13th Avenue South in Fargo. This is right across from West Acres Mall. The venue offers a bar & grill for socializing and we were able to secure great room rates there.

SwimCloud will also be doing a presentation at this year's clinic.

### **ROOM BLOCK INFORMATION**

I have set up a block of rooms at the Holiday Inn under Dakota Swim Coaches Clinic. Attendees, who wish to call the hotel directly, use 701-282-2700 Option 0 and ask for the Dakota Swim Coaches Clinic.
