Meet: 2026 SD Short Course State B Championships

Southwest Swim Club would like to bid on the 2026 SD Short Course State B Championships meet on February 13-15. The [Don Palm Natatorium](#) on the campus of Southwest State University offers a 6 lane, 25-yard pool with a separate diving well that can be used as a warm-up/cool-down pool during the meet. Spectators can view the swim meet from its second-floor spacious balcony that runs the length of the pool and diving well. *See below for facility rental costs.*

Marshall is a central hub of southwest Minnesota at the intersection of Highway 23 and Highway 59. Marshall offers a wide range of hotel, dining, and attractions options. I have attached a letter of support from our Visit Marshall organization. *See below for hotel availability.*

Thank you for your support and consideration.
