Name: Tech Planning   **Club:**   **Position: Tech Planning**

Current bylaw or policy section and language:

12.9 Relay Entries
(1) Number – Swimmers may enter each relay event.
(2) Non-qualifiers – A swimmer may not swim a relay leg that corresponds to an event in which the swimmer has a South Dakota Championship Meet Qualifying Time.

Proposed bylaw or policy section and language:

Eliminate 12.9(2)

(Meet template would also need to be updated)

Rationale:

There are several reasons to eliminate this rule. First, it helps increase participation at B Champs and gives kids more relay opportunities, which are always a highlight for swimmers. Second, it helps the AOs because they have to manually check relays for individual qualifiers. HyTek can't automatically run a report for that so making things easier for our volunteers would help.
